

8th GRADE CONFIRMATION RETREAT: MARCH 16th or 17th @ ST SIMON

WELCOME THE NATIONAL EVANGELIZATION TEAM

Mission:

The Mission of NET Ministries is to challenge young Catholics to love Christ and embrace the life of the Church.

Testimonials:

"The games, dramas and small groups were all things I really enjoyed on this retreat. I realized how important a close relationship with the Lord is in my life. I also realized how I need to do everything possible to strengthen my relationship with Him and allow it to grow. I experienced God through prayer and fellowship. During the prayer time I really felt His presence, having other teens around me that love God and believe in Him and the Catholic faith helped me out a lot."

~ young woman, 16, Wiggins, CO

"This retreat has opened my eyes. I was straying very far from God and constantly piling activities and other things on my plate, I no longer had Him in my life. This retreat was a reminder of how important my faith is and that I can't keep putting it off until I'm in trouble and need it. I was challenged to both make changes and grow in my faith. My favorite part of the retreat was being able to individually reflect on my life and realize what and where I need to change. This retreat helped me find a solid foundation to start establishing my life around."

~ Amanda, 16, Whittier, CA

*** On your calendar, you are scheduled to attend this retreat with the 10th grade candidates, Saturday, March 17th from 11:30am to 6:30pm. However, we would like to invite you to attend this retreat with the other 8th grade candidates who attend school at St. Simon on Friday, March 16th from 9am-3pm. While, we understand this is a Friday, a school day, you have a right to be excused from school for a religious event. Youth Minister, Francesca Marino is happy to write any letter or call any school in an effort to excuse you for this retreat. ***
